

AFTERZ

The “main event” is over – now let’s get to the AFTERZ !

STRICTLY

18+

The “After-Party” phenomenon has been secretly bubbling away in the underground chattels of Australian nightlife for decades. These days it’s become a legitimate sector of the multi-billion dollar events industry and some of the most qualified and experienced players have picked up the ball to bring much-needed structure, and compliance to these fun events.

“Afterz” is such a professional collaboration. We’re a co-operative of excellently-appointed venues, entertainment booking agents, event management professionals, security & compliance advisors and not-for-profit ticketing platforms. Together we’ve designed the easiest and most efficient way of creating the perfect After-Party package with all essentials covered for one affordable ticket price.

All gigs run Midnight to 3 AM. You can share the venue with other formal groups or book it exclusively. The choice is yours. *(subject to availability and minimums)*

We have amazing City Locations to choose from. Capacities up to 550 guests. Some of Sydney’s hottest DJ’s are in our stable of talent. Continuous dance sets are the order of business for the whole duration of your after-party.

Awesome selections of cocktails, mixer drinks or just your fav beers & pops at PUB prices *(Normal RSA Rules apply)*.

These After-Party events are fun, exclusive, super-safe & secure.
